

SPORT ENGLAND TEACHER TRAINING FUNDING FOR SECONDARY SCHOOLS

SPORT & PHYSICAL ACTIVITY BENEFITS* :

BEHAVIOUR

ATTAINMENT

GREATER SELF-ESTEEM

COGNITION

Sport England are offering National Lottery funding to every secondary school in England** via their Teaching School Alliance (TSA) to:

- Offer a wider range of opportunities to their students to be physically active
- Provide further training on delivering a high-quality PE, Sport, Physical Activity (PESPA) experience for all students
- Advocate the benefits of PESPA to senior leaders to support whole school improvement

TSAs choose which Sport England outcomes are most appropriate for their TSA and design their project to achieve these outcomes.

Funding is available per secondary school in each TSA to deliver a programme over one academic year. TSAs are supported by a consultant from the Association for Physical Education or the Youth Sport Trust to help design, implement and evaluate their intervention.

**“THE FUNDING HAS ALLOWED US
TO BE CREATIVE AND AMBITIOUS,
TO DO SOMETHING MEANINGFUL”**

THOMAS GAINSBOROUGH SCHOOL (PILOT PROJECT PARTICIPANT)

If you want to join this exciting new programme please send the following information to SportEngland.TeacherTrainingScheme@sportengland.org:

- ✓ The name of your TSA
- ✓ The lead teaching school of the TSA and its trading name
- ✓ The name, email address and direct line for the project
- ✓ The full names of secondary schools that you plan on working with. Please also include their DfE URNs, and their post codes
