## HEADLINE REMINDERS / GUIDANCE / DEADLINE

### School Improvement Delivery Processes - Tiers 1, 2 and 3 & NLE PAYMENT

NLEs who have added their school visit & support implementation days to the Portal are currently receiving payment for this school improvement work and their attendance at the NLE briefing at the beginning of the year.

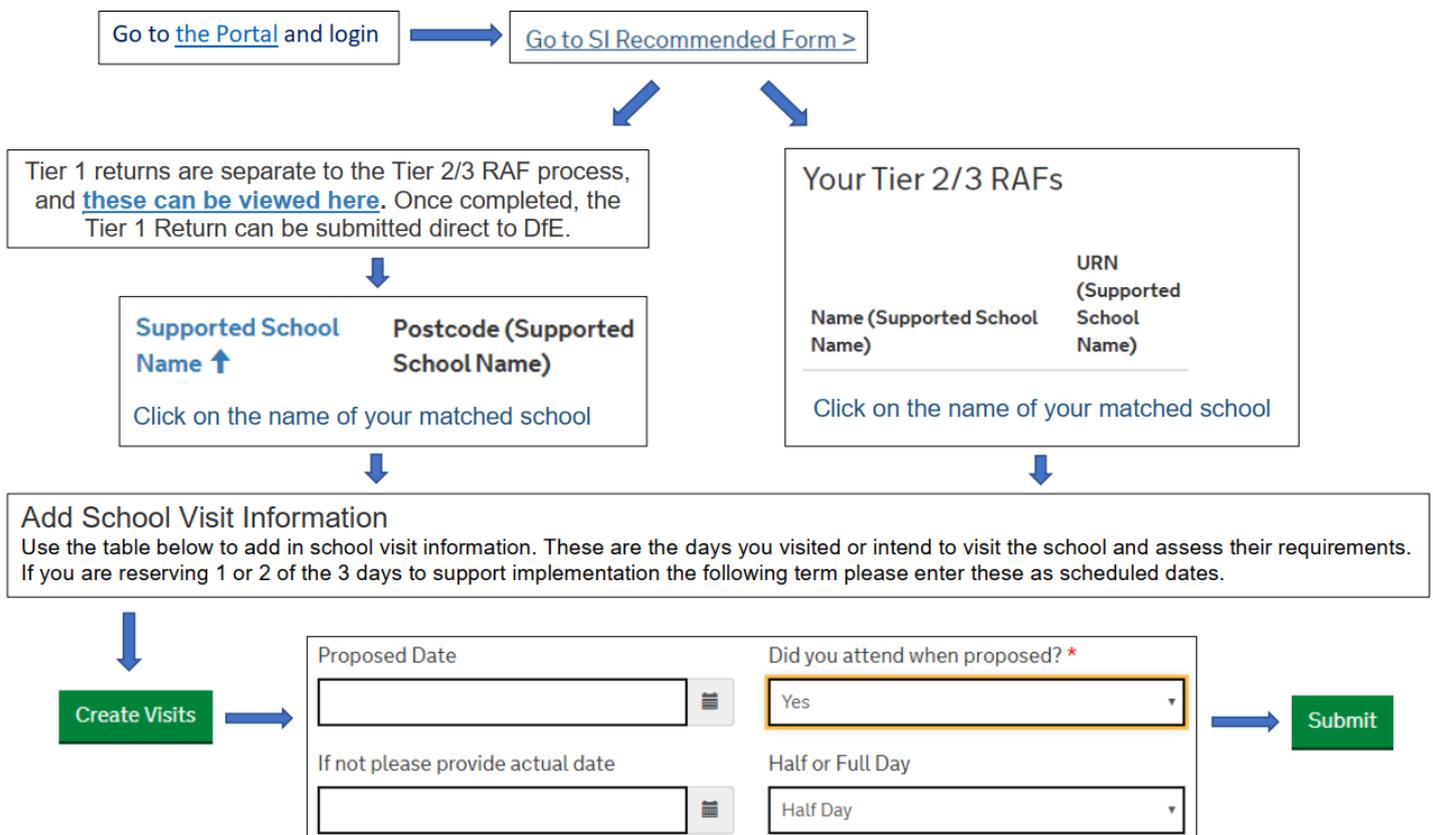

NLEs should have received a [School Improvement Team email on the 27<sup>th</sup> of February](#) giving a **deadline of 9<sup>th</sup> March** to enter their visit and scheduled dates on the Portal. This deadline must be met to secure payment to NLEs.

Any NLEs who remain unable to access the portal should contact [school.improvement@education.gov.uk](mailto:school.improvement@education.gov.uk) for assistance.

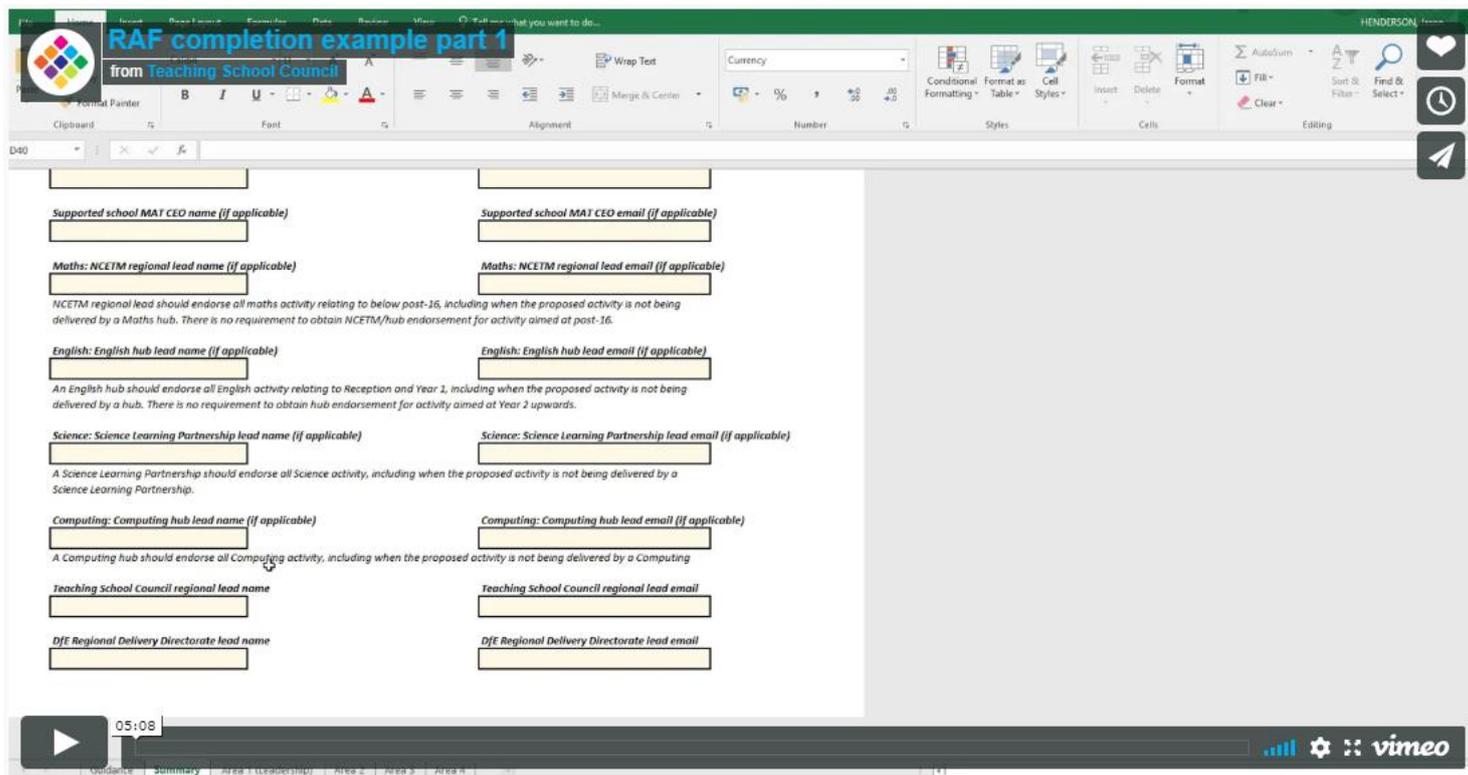

['How to add visit/implementation dates' guidance](#):

#### LWYTSC Portal Usage – Adding Visit/Support Work Dates

The Portal at <https://sisl.education.gov.uk/> should be used to log initial and subsequent visits to, and implementation work for, supported schools. **Logging these visits and any planned implementation support is the sole mechanism for triggering payment to NLEs.**

For NLE's supporting Tier 2 or Tier 3 schools and completing a Recommended Action Form, [the TSC has produced a video example of how to complete a RAF:](#)

NLEs should also be aware of the [Portal guidance covering Tier 1 Returns plus the Tier 2 and 3 RAF submission processes.](#)

## NLE Bursary for deployments outside the SI offer – DEADLINE FOR RETURNS

The [School Improvement Team email of 27<sup>th</sup> February](#) also requests that NLEs return forecasted spend information for any deployments outside the SI offer (£2,000 NLE bursary available) – **reporting required by 9th March.**

This [NLE Bursary form](#) needs to be returned to [school.improvement@education.gov.uk](mailto:school.improvement@education.gov.uk).
