What information do we collect and why do we require it?

As school we are obliged to have a complaints procedure in place. As part of our complaints procedure we are required to process personal data.

The personal data we collect about you includes:

- Personal identifiers (your name, address, contact details)
- Any relevant information we hold on School systems and databases,
- Any information you, or a party to the complaint, provides us with,
- Any information passed to us by any other organisation,
- Witness statements,
- Any relevant correspondence we have had with you or another party to the complaint – including internal correspondence about you,
- Any relevant video recording (including CCTV), audio recordings, or images,
- Investigation interview notes.

Who do we obtain your information from?

Who do we share your personal data with?

According to our complaints procedure all complaints are handled by each individual school. However, within the Trust we will disclose any relevant data to any individual (usually an employee or governor) that requires the data in order to complete the investigation, to administer the complaint, or to receive advice about how to handle a complaint.

The following organisations may also receive your data if allowed by law:

- Department of Education
- The Local Authority
- Our appointed Data Protection Officer
- Ofsted
- Information Commissioner's Office
- Any other organisation and/or regulator when the School is legally required to disclose your information.

How long do we keep your personal data for?

Generally the school will keep personal data collected as part of the complaints process for six years upon closure of the complaint. This is to ensure that the School can demonstrate the complaint has been handled appropriately.

In some cases information gathered as part of a complaint investigation will need to be kept for longer than six years in accordance with various legislation. For example any complaints in relation to Looked after Children will be kept for 40 Years from closure of the file.

Do you transfer my data outside of the UK?

Generally the information that the school holds is all held within the UK. However, some information may be held on computer servers which are held outside of the UK. We will take all reasonable steps to ensure your data is not processed in a country that is not seen as 'safe' by the UK government. If we do need to send your data out of the EU it will ensure it has extra protection from loss or unauthorised access.

What is our lawful basis for processing your personal data?

The School is legally required to operate a relevant complaints procedure as per the

(Academies and Independent Schools) The Education (Independent School Standards) Regulations 2014

As such the School relies on Article 6(1)(c) and Article 9(2)(g) of the GDPR to process your personal and special category data. This is in pursuance with Schedule 1, Part 2 (6)(2)(a) of
