Reading at our Hub School	OFSTED graded Outstanding October 2021 'Reading is tremendously important in this school. Children in the Reception class get off to a flying start. They start to learn phonics immediately. The teaching of early reading is exemplary. Teachers expertly build on what pupils already know. Pupils who need extra help with learning to read, receive highly effective support. This helps them catch up quickly. Most pupils reach the expected standards in the Year 1 phonics screening checks.'
