Achieving excellence together

1st February 2023

To Marsden Junior School – Pupils, Parents and Carers

Dear Pupils, Parents and Carers,

The Trust board members, core Trust team, all the staff and pupils across our academies and designations would today like to officially welcome you into our 2-18 Trust. We have already been working positively with many of the staff for over a year and more intensively in the last few months on joint initiatives and projects.

The Trust board has been impressed by the professional way Marsden Junior School staff have all pulled together with effective support from the senior leadership team and governors. Your Principal, Mrs Mansell and Vice Principal, Mrs Wood have engaged with our teams to ensure we are able to integrate systems and processes, in line with expectations, and we are thankful for their continuing support and dedication.

We are delighted that we have formed our 2-18 Trust family together. Marsden Junior School has a unique community feel and we look forward to sharing and developing further partnerships; gaining from the greater efficiencies which linking together makes possible; using evidence of what works to guide curriculum offers and develop resources across sites, year groups and pupil forums. We know our communities all share the value of working together for the greater good of all and strive to continuously make networks and partnerships to broaden educational opportunities to achieve excellence together.

We will also soon be seeking your views to gain a greater insight to help further shape our journey together.

We look forward to seeing you all very soon.

Kindest regards,

Mr Carlton Midgley, Chair of the Trust

Mrs Amanda Bennett, Chief Executive Officer¹
