

Welcome to the seventh North West Regional Delivery Partner (RDP) update from the Great Heights Academy Trust team as part of our contracted work to match and monitor system leaders for the current Trust and School Improvement Offer (TSIO) for 2022/23.

This and future newsletters plus other TSIO information/guidance can be found on [our RDP webpages](#).

This TSI offer is a core aspect of a sector-led School Improvement strategy and the Department of Education's work with schools and trusts through the RSC regional teams. As the contracted body supporting the matching of System Leaders in the NW, we will be your first point of contact during matching and when matched - a.bennett@greatheightstrust.org.uk
