This is an exciting opportunity to join the Mirfield College as an enthusiastic and supportive Academic Mentor. We are seeking to recruit an individual to work within our sixth form college who has the inspiration, drive and motivation to make a difference to the lives of young people.

The successful candidate will work to support pupils to achieve their academic goals. As an Academic Mentor, you'll be a vital member of the team, working closely with the College's Senior Leadership Team to support students to achieve their learning outcomes.

Your day-to-day responsibilities will include developing bespoke support plans for individual students and small groups, helping pupils to grow in confidence and ability, and, ultimately, helping each student to reach their full potential.

You will be responsible for delivering effective and engaging sessions tailored to pupils' specific needs, and you'll be expected to clearly show the positive impact of your tuition.

If empowering students to help them fulfil their potential whilst developing your own career sounds like something that interests you then we would love to hear from you.

The successfully appointed Academic Mentor, would need to undergo a package of online training before beginning the role.
