Projects & initiatives involved in	Through the Erasmus project, we have an annual trip to Ireland for many of our children who have never flown before! We are working with the Research School and Leeds Museums with our History and Geography curriculum and love learning about Bramley and Leeds.
Contribution to trust activities	Our principal is the Director for Governance for the Trust. He has provided support and guidance to other leaders and been deployed into other academies when they have been seeking a new principal. Our EYFS leader is a reading leader with the English Hub
